Vitality Health Center/ Back In Action, PC May 1999

Offering Erchonia cold laser therapy, detoxification, DRX lumbar and cervical decompression, SpineForce rehabilitation, massage therapy, advanced diagnostic technology, variety of chiropractic treatments for both pain relief and correction of spinal/soft tissue function, Graston soft tissue work.

Spinal Decompression, DRX9000 Therapy

Our primary treatment focus is with DRX9000 spinal decompression therapy. We are the most experienced DRX office in Colorado and pioneered its introduction into the Denver community. With an FDA approved 86% success rate treating neck and low back pain, it has the highest success rate of any treatment available, and we developed the most comprehensive, effective, decompression program available.
